3 denies that it has failed to comply with the so-called Keep Washington Working Act
4 as the law is correctly interpreted in relation to federal law. Defendant lacks
5 sufficient information to respond to the remaining allegations in Paragraph 1.6; thus
6 they are deemed denied.

7 1.7 The allegations in Paragraph 1.7 contain legal conclusions and questions
8 of law which require no answer. To the extent an answer is required, Defendant
9 denies that it has failed to follow state law as the law is correctly interpreted in
10 relation to federal law. Defendant admits that Defendant was in good faith
11 attempting to resolve the disagreement with the Washington Attorney General's

17 in January 2025 changed things" for Defendant and denies that Defendant has failed
18 to comply with the so-called Keep Washington Working Act as the state law is
19 correctly interpreted in relation to federal law. Defendant has known since
20 November 2024 that Donald Trump had won the 2024 presidential election. The
21 Washington Attorney General's Office waited until after the election to threaten to

 12 Legal Foundation is a nonprofit organization founded by Stephen Miller, who now
 13 serves his country as White House Deputy Chief of Staff for Policy and as the
 14 Assistant to the President for Homeland Security. To the extent that Plaintiff
 15 characterizes unidentified statements purportedly of Stephen Miller, Defendant
 16 states that Stephen Miller's statements are the best evidence of their contents; to
 17 the extent that the characterization in Paragraph 1.10 differs from this best evidence,
 18 that characterization is denied. To the extent an answer is required, Defendant
 19 denies that Stephen Miller "has repeated white nationalist talking points."
 20 Defendant lacks sufficient information to respond regarding the remaining
 21 allegations in Paragraph 1.10; thus they are deemed denied.

22 1.11 Defendant states that America First Legal's press release, social media
 23 postings, and website speak for themselves and are the best evidence of their

1 contents; to the extent that the characterization in Paragraph 1.11 differs from this
 2 best evidence, that characterization is denied.

3 1.12 The allegations in Paragraph 1.12 contain legal conclusions and
 4 questions of law which require no answer. To the extent an answer is required,
 5 Defendant denies that the Court should intervene here to grant the relief Plaintiff
 6 seeks and denies that Plaintiff has an obligation to sue Defendants. Defendant denies
 7 that it is “breaking state law” and denies that Defendant is putting its own
 8 community at risk. Defendant denies that it is violating the so-called Keep

 18 Attorney General's Office sought to sue Defendant and impose a pre-ordained
 19 consent decree drafted by the Attorney General's Office. Defendant denies violating
 20 the statute as the law is correctly interpreted in relation to federal law.

21 4.47 The Washington Attorney General's Office did not "send a proposed
 22 agreement." The Attorney General's Office instead sent a consent decree for a court
 23 to enter upon the State of Washington suing Defendant. Defendant admits it was

1 open to settlement without litigation and reiterated that desire in the February 20,
 2 2025 letter.

3 4.48 The allegations in Paragraph 4.48 contain legal conclusions and
 4 questions of law which require no answer. To the extent an answer is required,
 5 Defendant denies that President Trump kept it a “secret” until his inauguration on
 6 January 20, 2025, that he planned to reduce immigration and thus protect
 7 Americans. Defendant denies that President Trump has restricted immigrants’
 8 “rights” or interfered “with states’ sovereign rights.” Defendant admits that
 9 President Trump issued Executive Order 14,159 on January 20, 2025, titled
 10 “Protecting the American People Against Invasion.”

11 4.49 Defendant states that the Executive Order speaks for itself and is the
 12 best evidence of its contents; to the extent the characterization in Paragraph 4.49
 13 differs from this best evidence, that characterization is denied.

14 4.50 Defendant admits that on January 21, 2025, the U.S. Department of
 15 Justice’s Acting Deputy Attorney General issued a memorandum titled “Interim
 16 Policy Changes Regarding Charging, Sentencing, And Immigration Enforcement.”
 17 Defendant states that the memorandum speaks for itself and is the best evidence of
 18 its contents; to the extent the characterization in Paragraph 4.50 differs from this
 19 best evidence, that characterization is denied.

20 4.51 The allegations in Paragraph 4.51 contain legal conclusions and
 21 questions of law which require no answer. To the extent an answer is required,
 22 Defendant denies violating the statute as the law is correctly interpreted in relation
 23 to federal law. Defendant denies Plaintiff’s insinuation that Defendant had been

1 hiding for “more than two years” Defendant’s concern that “complying with the
 2 injunctive provisions of the consent decree could violate federal law or expose the
 3 County to federal criminal liability.” The Washington Attorney General’s Office did
 4 not propose the consent decree and provide its terms to Defendant until January 7,
 5 2025. Nor was the discussion in late January the “seventh discussion” focusing on
 6 the proposed settlement. The Washington Attorney General’s Office did not
 7 propose the complaint for injunctive and declaratory relief until November 26, 2024,
 8 and did not propose the consent decree until January 7, 2025. Defendant admits that
 9 Joel Ard was appointed in February 2025 to serve as special deputy prosecutor.
 10 Defendant denies that it was no longer interested in resolving the dispute without
 11 litigation.

12 4.52 Defendant admits that Special Deputy Prosecutor Joel Ard sent a letter
 13 to the Washington Attorney General’s Office on February 20, 2025. Defendant
 14 states that the letter speaks for itself and is the best evidence of its contents; to the
 15 extent the characterization in Paragraph 4.52 differs from this best evidence, that
 16 characterization is denied.

17 4.53 The allegations in Paragraph 4.53 contain legal conclusions and
 18 questions of law which require no answer. To the extent an answer is required,
 19 Defendant states that the letter speaks for itself and is the best evidence of its
 20 contents; to the extent the characterization in Paragraph 4.53 differs from this best
 21 evidence, that characterization is denied. Defendant denies that Defendant did not
 22 express concern about conflict with federal law or until the February 20, 2025 letter
 23

1 and denies that the concern about impeding federal immigration enforcement is
 2 “baseless.”

3 4.54 The allegations in Paragraph 4.54 contain legal conclusions and
 4 questions of law which require no answer. To the extent an answer is required,
 5 Defendant states that the letter speaks for itself and is the best evidence of its
 6 contents; to the extent the characterization in Paragraph 4.54 differs from this best
 7 evidence, that characterization is denied.

8 4.55 The allegations in Paragraph 4.55 contain legal conclusions and
 9 questions of law which require no answer. To the extent an answer is required,
 10 Defendant played no role in drafting and did not approve the statement of WASPC.
 11 The WASPC statement represents the views of WASPC and not the views of
 12 Defendant or Sheriff Wagner, despite Sheriff Wagner’s membership in the
 13 association. The WASPC statement speaks for itself and is the best evidence of its
 14 contents; to the extent the characterization in Paragraph 4.55 differs from this best
 15 evidence, that characterization is denied.

16 4.56 The allegations in Paragraph 4.56 contain legal conclusions and
 17 questions of law which require no answer. To the extent an answer is required,
 18 Defendant denies the allegations in the first sentence. Defendant denies that the
 19 “accompanying post repeats the same incorrect statements that appear in the
 20 County’s letter” because the statements Plaintiff contends are incorrect are in fact
 21 correct. Defendant states that the post and letter speak for themselves and are the
 22 best evidence of their contents; to the extent the characterization in Paragraph 4.56
 23 differs from this best evidence, that characterization is denied.

1 5.1 Defendant incorporates the answers set forth above as if fully set forth
2 here.

3 5.2 The allegations in Paragraph 5.2 are denied.

4 5.2.1. The allegations in Paragraph 5.2.1 are denied.

5 5.2.2. The allegations in Paragraph 5.2.2 are denied.

6 5.2.3. The allegations in Paragraph 5.2.3 are denied.

12 5.4. The allegations in Paragraph 5.4 are denied.

13 5.5. The allegations in Paragraph 5.5 are denied.

14 5.6. The allegations in Paragraph 5.6 are admitted.

15 5.7. Defendant admits that Plaintiff and Defendant have a present and
16 ongoing dispute. Defendant denies that Plaintiff is entitled to, or that this Court may
17 grant, the relief sought.

18 5.8. Defendants have removed this case to the U.S. District Court for the
19 Eastern District of Washington. Defendant does not contest the Court's jurisdiction
20 to hear the claim Plaintiff brings against Defendant but denies that Plaintiff is entitled
21 to, or that this Court may grant, the relief sought. Defendant denies that Plaintiff can
22 seek relief against the Sheriff's Office.

23 5.9. The allegations in Paragraph 5.9 are denied.

5.10. The allegations in Paragraph 5.10 are denied.

5.11. Plaintiff is not entitled to any remedy to challenge Defendants' actions.

6.1 The allegations in Paragraph 6.1 consist of a prayer for relief that does not require a response. To the extent a response is required, Defendant denies that Plaintiff is entitled to, or that this Court may grant, the relief requested.

6.2 The allegations in Paragraph 6.2 consist of a prayer for relief that does not require a response. To the extent a response is required, Defendant denies that Plaintiff is entitled to, or that this Court may grant, the relief requested.

6.3 The allegations in Paragraph 6.3 consist of a prayer for relief that does not require a response. To the extent a response is required, Defendant denies that Plaintiff is entitled to, or that this Court may grant, the relief requested.

6.4 The allegations in Paragraph 6.4 consist of a prayer for relief that does not require a response. To the extent a response is required, Defendant denies that Plaintiff is entitled to, or that this Court may grant, the relief requested.
